

# Phase 2 Code Challenge: Bank of Flatiron

## Overview

This Phase 2 challenge will cover your knowledge of React. Topics will include props and events, rendering, and code structure/efficiency.

## Instructions

1. Refer to the [code challenge instructions](https://moringa.instructure.com/courses/943/pages/phase-2-code-challenge-instructions) (<https://moringa.instructure.com/courses/943/pages/phase-2-code-challenge-instructions>) for the process of starting and submitting this challenge.
2. Download the following file and unzip it to get started, [Challenge-1-Bank-of-Flatiron-021023.zip](https://moringa.instructure.com/files/506179?wrap=1) (<https://moringa.instructure.com/files/506179?wrap=1>)  ([https://moringa.instructure.com/courses/943/files/506179/download?download\\_frd=1](https://moringa.instructure.com/courses/943/files/506179/download?download_frd=1))
3. (<https://moringa.instructure.com/files/506176?wrap=1>) Use the [Phase 2 Code Challenge](https://moringa.instructure.com/courses/943/assignments/67263) (<https://moringa.instructure.com/courses/943/assignments/67263>) assignment for specific grading requirements and submissions.
